Dear Commissioner or his Representative:

On July 25, 2005 I sent a signed transmittal form and credit card payment form to fax number 571-273-2885. I received a return receipt. It appears that these documents have been lost in the system. The private PAIR system does not show that they have been received. I have left voice mails with the examiner and her supervisor. I have been unable to locate a telephone number to communicate by voice with your office. Please advise as to how this matter can be straightened out and the patent issued. The due date for the issue fee is October 13, 2005. Although I sent it on July 25, 2005, your office has not recognized that fact yet. I am enclosing copies of the documents sent by facsimile transmission to 571-273-2885 on July 25, 2005.

Very truly yours,

Gregory T. Zalecki
